Magic Number

Ask someone to think of one number that appears on any of the boxes. Tell them to point to the boxes with their magic number on them. As quick as you can, add up the numbers in the upper left hand corners of every box. The total will be their magic number!

This is just a trick. The truth is that God knows everything without using tricks. He loves you very much and wants you to know Him. The Bible says in Psalm 139: 1-2 "O LORD, you have searched me and you know me. You know when I sit and when I rise; you perceive my thoughts from afar."
